The gate people say there are more than nine hundred thousand people packed into the smoky recesses of the dome. It's not just hard to believe; it's scary. But computer ticket-totes don't lie.. the Detweiler boy? Except the Detweiler boy?. Here comes the second reason, then. There's an evolutionary advantage to sexual reproduction that more than makes up for all the inconveniences.* In cloning, the genetic contents of new organisms remain identical with those of the original organisms, except for occasional mutations. If the organism is very efficiently adapted to its surroundings, this is useful, but it is an extremely conservative mechanism that reduces the chance of change. Any alteration in the environment could quickly lead to the extinction of a species.. the livid fury blazing in her eyes.. haven't flown anything but trainers for eight years." .178. "Yes, Tom?"
